How different Pages look like:

Sign-in page

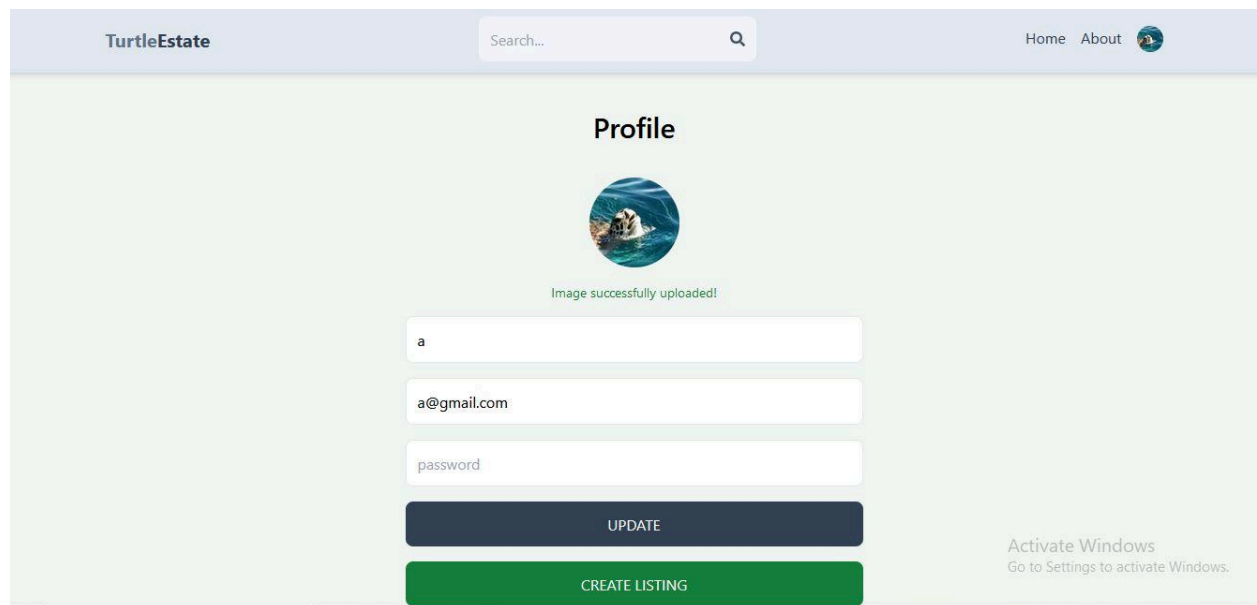

The screenshot displays the 'Sign In' page of the SahandEstate application. The page has a light green background. At the top, there is a header bar with the 'SahandEstate' logo on the left, a search bar in the center, and links for 'Home', 'About', and 'Sign in' on the right. The main content area is centered and features the title 'Sign In' in bold. Below the title are two input fields: one for 'email' and one for 'password'. Underneath these fields are two buttons: a dark blue 'SIGN IN' button and a red 'CONTINUE WITH GOOGLE' button. At the bottom of the sign-in section, there is a link that says 'Dont have an account? Sign up'. In the bottom right corner of the page, there is a small 'Activate Windows' watermark with the text 'Go to Settings to activate Windows.'
